

## One-on-One Forum

# Innovation in Microsystems

Arabella Sheraton Bogenhausen, Munich  
March 5th 2008

### Access to the Online-Database:

To access your "company account", please open the Online-Database at

<http://bayern-innovativ.converve.com/baika>

Please use your email and your password for login.

If you do not know your password, select the button **"Forgot your Password"**.

The screenshot shows a web browser window with the URL [http://bayern-innovativ.converve.com/baikem/p\\_index.php](http://bayern-innovativ.converve.com/baikem/p_index.php). The page header includes the Bayern Innovativ logo and the event title 'Congress and One-on-One Forum Innovation in Microsystems' held on March 5, 2008, at the Arabella Sheraton Bogenhausen Hotel in Munich. The main content area is titled 'Welcome to the database for the One-on-One Cooperation Forum "Microsystems"'. It states that more than 65 companies from 14 countries are already registered and that the internet is the central information and interaction platform for participants. A red arrow points to the 'Forgot your Password?' link in the login section. The page also includes a 'Contact' box for Dr. Ute Steinbauer and Johanna Lison, and a 'Project Status' section indicating that online matching starts at January 28, 2008, and registration is still possible. The footer shows the BAIKEM logo and the text 'Fertig'.

After detailing your email-address you will receive an email with your password.

Should you have any difficulties accessing the profiles, please contact Johanna Lison ([lison@bayern-innovativ.de](mailto:lison@bayern-innovativ.de), phone +49-911-20671-150).

## How to request meetings:

After login you will find several convenient search functions to find your meeting partners.

The screenshot displays the BAIKEM Matching Report interface. The main content area is titled "Matching Report for Mr. Johanna Lison" and includes a "Contact overview" section with statistics for meetings (accept, decline, open requests, etc.). Below this is an "AutoMatch Map" showing a circular chart of matches. A "List of participants" section is visible at the bottom, listing companies like NANOMOL, NXP Semiconductors, and Olkmetic Oyj. Two red arrows point from yellow callout boxes labeled "request a meeting" and "add to favorites" to the respective buttons on the participant list.

- 1) Clicking a company name will open the corresponding company profile. If you want to first organise your preferred companies, please add them to your **"favorites"**
- 2) If you want to request a company as a meeting partner, click the button **"request meeting"**. The requested partner will receive a notification of your interest by email.
- 3) Regularly: Please react on meeting requests addressed to you, in accepting or denying them. You will be informed about them by email. Your requests are also listed in your personal online account under **"matching report"**.
- 4) When he/she confirms his/her interest in meeting you, the meeting will be scheduled at the event according to your availability.
- 5) It is important to note that the number of participants listed is still increasing, since companies are still registering.
- 6) From 27th February onwards your personal schedule will be available online.

## DEADLINES:

>>> Be aware that requesting meetings is possible until **February 8<sup>th</sup> 2008**.  
>>> Confirmation of meetings should be done until **February 13<sup>th</sup> 2008**.

>>> **Each participating person can held up to 12 meetings.**  
**Therefore please be aware not to have more than 12 confirmed requests.**
